Functional and stylish towel warmer/towel dryer, 1500x200 mm with energy saving function. Double hook for both hand towels and bath towels. The heater can also be used with advantage in rooms other than the bathroom, such as the kitchen or the hallway. Design by Note Design Studio. CE marked.

Timer with energy function:

Press once - On, white glow. Press twice - 2h on, dimmed white light. Press three times - 4h on, weak white glow. Hold - Off

Cleaning

Wipe the surface with a soft cloth and lukewarm water and possibly with soap solution. Avoid alkaline, acid-liming or abrasive cleaners.

Brass is a material that over time gets a beautiful patina but can be polished with brass polish. Copper also gets patina but should not be polished. The other shiny surfaces retain their luster.

Decalcification

Aerators and shower handles should be regularly decalcified by placing them in a vinegar bath for a couple of hours. Should limescale stains occur, use eucalyptus oil and a soft cloth.

Lubrication

Lubricate only with silicone grease.

Maintenance

Visit our [YouTube channel](#) → where there are instructional videos for changing the ceramic cartridge, changing aerators and more.

Specifications

Tube dimension - 18,00
Cable length - 3300,00
Cable diameter - 3,20
Cable resistance - Dubbel lager
Effekt - 52 W
Voltage - 220 V
IP Class - IP 45
Frequency - 50 Hz
Operating temperature - - 60 °C / + 200 °C
Electrical tolerance - ±%10
Power density - 16
CE Classified - Yes

Dimensions/Weight

Package - Weight - 1,85 kg
Product - Width - 200 mm
Product - Depth - 60 mm
Product - Height - 1500 mm
Total building height - 1900 mm
