CARE INSTRUCTIONS

Wipe with damp cloth with no loose hairs, avoid using any chemicals. Please note all finishes are prone to aging.

PLEASE NOTE

The dimmable LED BULB requires a LED-compatible dimmer switch, like the Buster + Punch Premium dimmer switch. They can also be used with on/off switches.

If you are looking to use this product in conjunction with a smart or home automation system, please refer to the system manufactures guidance to check compatibility. Our bulbs are mains dimmable via phase cut/trailing edge dimming. To avoid disappointment, please ensure a compatible smart module is fitted before purchase.
